Quick Hygiene

“PRACTICAL WASHING FIBER”,

Can easily be stored in a hand or backpack bag with it's dry fiber form for convenient use at public areas and shared restrooms.

Only 10ml of regular water is sufficient to induce foaming of the dry fibers and where ever soap cleansing may be needed.

These statements have not been evaluated by the U.S. Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
