Latex, Lanolin, and Alcohol Free  
Clean, Soften, and Soothes

Quick  
Hygiene

chordspring, shampoo cap, allows you to clean your hair anytime,  
and anywhere without soap, and water.

## Depends on personal preferences use cold or hot

### Ingredients:

Dimethicone Copolyol, Linoleamidopropyl PG-Dimonium Chloride Phosphate (Phospholipid), Lauryl Glucoside, D-Panthenol (Provitamin B5), Allantoin, *Aloe barbadensis* extract, Polysorbate 20, Tetrasodium EDTA, Citric Acid, Tocopheryl Acetate (Vitamin E), Chlorhexidine Digluconate, Glycerin, Nipaguard®, Perfume, Chamomile extract.

### Intend of use:

Chord Spring provides healthy, well groomed hair and scalp by cleaning without water for people who does not have the ability to take shower.

#### Microwave usage

- Put the package in the microwave.
- Hold for 20 seconds at 700W.
- Check the heat of the cap after warming it in the microwave.
- Do not use the heated cap over 95-104 degrees Fahrenheit (35-40°C).

### Instructions of use:

Open from the top of the package. Put on the cap to the person's head. Cover up the whole hair. Keep the cap on the person's head for 3 minutes with doing massage. If the hair is long, wash the tip with the cap as seen on the scheme.

Discard used package according to national and/or international regulations.

### Precautions and Safety Information:

- Read the package insert and labels before using the product.
- Do not use if the package is opened or damaged.
- Do not use after expiry date.
- For sensitive skins; application should be done by a specialist or by a doctor.
- Do not use if you are allergic to any of the ingredients.
- Avoid contact with eyes. If the eyes are effected; wash throughly with plenty of water and seek medical attention.
- Keep out of reach of children, and pets.
- Keep away from food.
- Do not reuse the product.
- Usage of the cap must be supervised by a doctor for 0-12 months old babies, pregnant and breast-feeding women.
- Do not use any cleaning product before and after the usage of the cap.
- For external use only.

These statements have not been evaluated by the U.S. Food and Drug Administration.
